Hi Kavita

Hope you're well.

My car HRN530 is it still under warranty ? It's having issues unfortunately.

It does start but load noise occurs & I've parked it home yesterday. Had to borrow my wife's car today.

When I purchased it was always making loud noise thinking it will go away, . I had got a mechanic to check but still loud noise. My concern and question is: could it be your company sold me a worn out old age vehicle . Pls can you assist or put me to your right dept .  
What are my options? Can I trade this in ?

Thanks Chris
